RETURN RECEIPT REQUESTED

NOTICE OF PAST VIOLATION
(Sta.S)

Dear Ms. Hill:

On January 11, 2006, the New Hampshire Department of Environmental Services, Air Resources Division ("DES") conducted a compliance inspection at Elliot Hospital ("Elliot") in Manchester, NH. The purpose of the inspection was to determine Elliot's compliance status with State Permit to Operate FP-S-0116 ("the Permit") and NH Administrative Rules Env-A 100 *et seq.* The purpose of this letter is to notify you of the violations discovered during the inspection and subsequent file review. The specific violations are as follows:

1. Env-A 705.04 (a) requires annual emission-based fees, for emissions generated during calendar year 2003 or earlier, to be paid to DES by October 15 of the following year. Thus, emission-based fees for the year 2002 were due on October 15, 2003 and emission-based fees for the year 2003 were due on October 15, 2004. Elliot failed to submit these fees to DES until May 25, 2005.
2. Env-A 907.01 (c) requires a source to submit its annual emissions report to DES by April 15 of the following year. Thus, the annual emissions report for calendar year 2002 was due on April 15, 2003, and the annual emissions report for calendar year 2003 was due on April 15, 2004. Elliot failed to submit these reports to DES until April 15, 2005.

DES believes that no further action in response to the listed violations is required. DES requests that Elliot continue to comply with all recordkeeping and reporting obligations contained in the Permit. Also, please be advised that the emissions report and payment for calendar year 2005 emissions are due by April 15, 2006.

If you believe that DES has cited these violations in error, or have questions regarding these matters, please contact Barbara Hoffman, Enforcement Section Supervisor at (603) 271-7874. A current copy of the Air Resources Division Rules can be obtained from the DES website at <http://www.des.nh.gov/rules/air.htm>, or by contacting the DES Public Information Center at (603) 271-2975.

Sincerely,

Pamela G. Monroe
Compliance Bureau Administrator
Air Resources Division
